

## *Micromeritics Quality Policy*

**We** believe that excellence in Quality is the foundation for the management of our business and the keystone of our goal of customer satisfaction.

**We** believe that Quality is measured in satisfied customers and that continual improvement of products and services will result in meeting and exceeding customer's needs.

**We** believe that continual process improvement, productivity gains and cycle time reduction can be achieved throughout the organization by using process management and analysis tools and technologies.

**We** will measure these improvements and communicate relevant information to our customers.
